

## Invitation to Prague!

### Prague European Days of Internal Medicine 18–20 September, 2014

From cardio and gastro, through endocrinology, diabetology to rheumatology, metabolism, oncology, infectious diseases, intensive cardiology, nephrology, rare diseases and much more!

### Sneak Peak into our Scientific Programme

#### *Atherosclerosis*

- P. Barter (Australia):** IAS FH Initiative – why, who and where?
- K. Parhofer (Germany):** Familial Hypercholesterolaemia
- A. Gotto (USA):** Recent and future therapy of FH – focused on PCSK9-i, mipomersen and lomitapide
- T. Freiburger (CZ):** MedPed network – the Czech experience

#### *Invasive cardiology*

- P. Widimsky (CZ):** Ongoing myocardial ischemia as criterion for early decision making
- M. Studencan (SK):** Slovak registry of ACS
- R. Rokyta (CZ):** Acute heart failure and cardiogenic shock

#### *Preventive cardiology*

- J.CH. Fruchart (France):** Residual risk idea
- H. Ginsberg (USA):** Statins, fibrates and diabetes mellitus
- R. Ceska (CZ):** Complex reduction of cardiometabolic risk in clinical practice
- K. Parhofer (Germany):** Secondary hyperlipidaemias – focused on endocrine diseases

#### *Hypertension*

- P. Nilsson (Sweden):** Hypertension and diabetes mellitus
- J. Filipovsky (CZ):** Pharmacological treatment of resistant hypertension
- J. Widimsky jr. (CZ):** Nonpharmacological treatment of resistant hypertension

#### *EASTERN NET workshop*

- P. Barter (Australia), E. Bruckert (France), H. Ginsberg (USA), A. Gotto (USA), K.Parhofer (Germany), A. Susekov (Russia), M. Vrablik (CZ):** Genetics, biochemical findings, clinical picture, diagnosis, complications, prognosis, risk factors for cardiovascular disease

#### *Diabetes and metabolic syndrome*

- D. Dicker (Israel):** Bariatric surgery for the diabetic patient – medical perspective
- M. Fried (CZ):** Bariatric surgery for the diabetic patient – surgeon perspective

#### *Oncology*

- F. Lordick (Germany):** New targeted drug prolongs survival in advanced stomach cancer
- R. Gurlich (CZ):** Surgical management of gastric cancer

#### *Endocrinology*

- W. M. Wiersinga (The Netherlands):** Thyroid investigations in populations at risk to develop autoimmune thyroid disease
- I. Lazurova (SK):** Adrenal incidentalomas
- P. F. Plouin (France):** Primary aldosteronism – update

### Stars of PEDIM 2014

**Prof. Philip Barter**  
President of IAS  
Director of The Heart Research Institute in Sydney, Australia

**Dr. Antonio M. Gotto Jr.**  
Dean Emeritus and Co-Chair of the Board of Overseers of Weill Cornell Medical College in New York, USA

**Dr. Henry N. Ginsberg**  
Irving Professor of Medicine and Director, Irving Institute for Clinical and Translational Research, New York, USA

**Prof. Florian Lordick**  
Professor of Oncology and Director of the University Cancer Centre Leipzig, Germany

**Prof. Peter M. Nilsson**  
Secretary of the European Society of Hypertension, Clinical Cardiovascular Research at the Department of Clinical Sciences, Lund University, Sweden

On-line registration and accommodation is now open

## Programme Overview

Thursday 18 <sup>th</sup> September 2014		
	PRAGUE room	BELVEDERE room
08:30 10:00	Opening ceremony Invasive cardiology	Free communication 1
10:00 11:00	Hypertension	Free communication 2
11:00 11:30	Coffee break	Coffee break
11:30 12:30	Satellite symposium Bayer	Free communication 3
12:30 14:00	Satellite symposium Berlin-Chemie – HT and hyperuricemia	Lunch break
	Lunch break	
14:00 15:00	Preventive cardiology	Young internists
15:00 16:00	Hot topics in internal medicine I	Young internists
16:00 17:00	Diabetes and metabolic syndrome	Young internists
20:00 23:00	Gala reception	

Saturday 20 <sup>th</sup> September 2014		
	BELVEDERE room	
09:00 10:00	Rheumatology	
10:00 11:00	Oncology	
11:00 11:30	Coffee break	
11:30 12:30	Hot topics in internal medicine II	
12:30 13:00	Closing ceremony	

## Registration Fees

	EARLY until 30. 6. 2014	LATE until 15. 9. 2014
Delegates	390 €	430 €
Young Internists (up to 35 years)	290 €	340 €

## Good to know

### Official language

The official language of the Prague European Days of Internal Medicine is English. All sessions and lectures will be given **ONLY** in English.

### CME Accreditation

Prague European Days of Internal Medicine (PEDIM 2014) is applying for the European CME Accreditation.

Friday 19 <sup>th</sup> September 2014		
	PRAGUE room	BELVEDERE room
09:00 10:00	Nephrology	Eastern Net workshop 1
10:00 11:00	Rare diseases	Eastern Net workshop 2
11:00 11:30	Coffee break	Coffee break
11:30 12:30	Satellite symposium	Eastern Net workshop 3
12:30 14:00	Satellite symposium Astra Zeneca – Dapaglifosin	Lunch break
	Lunch break	
14:00 15:00	Atherosclerosis	Free communication 4
15:00 16:00	Endocrinology	Free communication 5
16:00 17:00	Gastroenterology	Free communication 6

## Important dates to remember

**20 June, 2014** – Deadline for submitting abstracts  
**30 June, 2014** – Early registration deadline

## Have you submitted your abstract?

If not, there is time to share your research. Abstract submission deadline is on **Friday June 20, 2014**.
